

Mike The Monarch
Mind the EPGAP

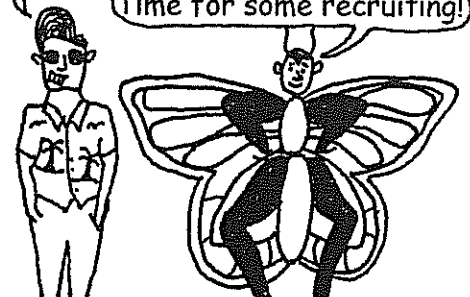

Dude, why so down?

My mellow is so harshed!

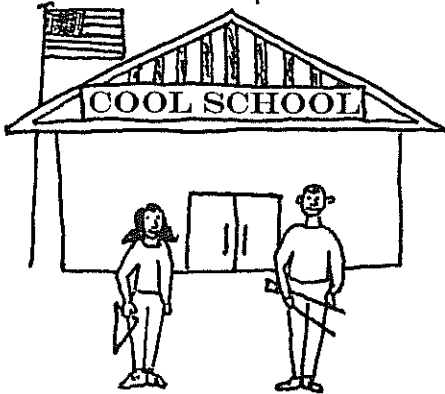

There's so much restoration work to do, and so few of us!

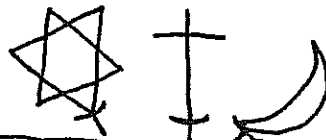

Time for some recruiting!

You can have your kids' school schedule a field trip...

Get your congregation involved...

Praise the Lord and pass the pair of loppers!

Arrange a workday with your Scout group...

Badges? We all need some merit badges!

Have your club take action...

PHANTASY PHAN PHORUM

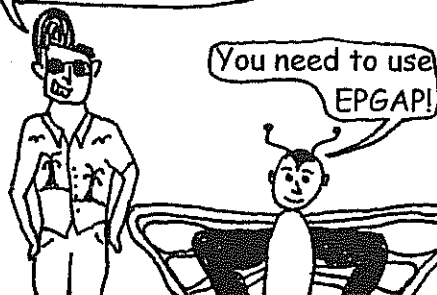

I move we destroy all alien invaders!

Aye! Aye! R'lyeh!

But Mike, I don't have kids, and the only club I belong to is the misanthrope society!

You need to use EPGAP!

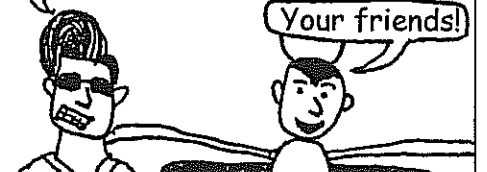

EPGAP?

Sure—Every Person Get a Person! Get your buds, your homies, your posse!

My what??

Your friends!

Dudette!

We're going 2 the woods!

Dude!

Way 2 cool!

Mad skills with that bow saw!

I am so back here next workday!

Invite your friends to a workday!

Peace out, dogs! :-)
